

Application for Funds Tithing Program for Ministries of Outreach & Social Concerns

St. Philip Neri Church, in gratitude to God for the many graces and blessings He has bestowed upon our parish, long ago committed to annually donate 10% of our weekly offertory collection (the “Tithing Funds”) to outreach ministries and organizations that provide for the spiritual and temporal needs of the less fortunate (collectively, the “Grant Program”). These charitable donations signify that our church is a tithing parish that has spiritually embraced the stewardship of our treasure.

Our steadfast and ongoing commitment to social justice and the works of outreach ministries through our Grant Program distinguishes St. Philip Neri Church, and has enabled our parish to assist those who are less fortunate in our parish family, our local community, and in international locales as well. SPN accomplishes our tithing through the personal sacrifices of parishioners that give unselfishly through the weekly offertory, as we express our thanksgiving to God for His gifts of our time, talent and treasure.

Please return the completed application form along with required documentation to the Parish Office. A new application form is required for each application period. Please address questions about the Grant Program via email to Lynda Curry, the parish’s Business Manager (businessmanager@saintphilipneri.org).

For over two decades, St. Philip Neri Church has been honored to serve others through our Tithing Program, and we hope to continue to share a portion of our blessings from God with deserving causes for many years to come. Numerous worthwhile organizations are in need of financial assistance, and our parish will continue to support their efforts as our Tithing Funds permit. We pray for all who work in the vineyard, and for God’s guidance in distributing His gifts.
